Review No: 1

Review date: 04/09/2024

#### 1. Policy:

Applicable to all Clinical areas, I.P and O.P

#### 2. PURPOSE:

To avoid

- ✓ To assess the frequency and contributing factors for medicine return from wards to the Pharmacy Department and its effects on medication errors.

### Non-Medicinal Products(Food and Tonics)

Any non-medicinal products that you wish to return must be in the original packaging and unopened, in a condition fit for resale. If the product to be returned does not meet these conditions, Pharmacy will be unable to offer a refund. If these criteria are met, Patient and attendees must inform to pharmacy of your intended return within 14 days of receiving the order, before you return it to Pharmacy.

. Once the product has been received and checked by one of our staff, a refund will be authorized by the same method that the payment was made.

If the Item is damaged or Bill not available, or not matching to pharmacy batch no will not encouraged. All returns are allowed within one month only.

The right of cancellation and return of non-medicinal products in this clause do not affect the statutory rights of a consumer in relation to items that are faulty, damaged, incorrect or not as described.
